SUBJECT

Outdoor Classrooms

## HELLO

The School Playground Company combines educational understanding with over 25 years design experience to create stimulating play environments that allow children to learn in an exciting space.

We pride ourselves in working with you and providing a high quality solution, tailored to your needs.

We specialise in School Playground Equipment for Schools and Academies throughout the Midlands including Coventry, Leicester, Nottingham and Birmingham, and our experienced installers are fully insured, and DBS checked.

We're a small, focussed team who believe in doing the job right and pride ourselves on our attention to detail from start to finish, including outstanding after sales service at no extra cost.

[www.schoolplaygroundcompany.co.uk](http://www.schoolplaygroundcompany.co.uk)

Bring outdoor learning to life with our range of outdoor classrooms that can provide shade and shelter at playtime and an additional learning space on your playground or school field. We can provide a range of custom built Timber Outdoor Shelters for Primary Schools.

We know that learning doesn't just happen in the classroom; our yurts and gazebos for Primary Schools can become a vital piece of your educational portfolio, providing children with important social interactions, physical exercise and imaginative play.

**OUTDOOR CLASSROOMS**

# CONSULT

Book an appointment online or over the phone with our friendly team and we will come to you to discuss your ideas and needs for your new playground.

# DESIGN

Our team of talented designers will bring your ideas to life with colourful visuals and plans of your new play area. Once you're happy with your design and quote we'll get building.

# BUILD

Back in the workshop the team will be busy making your new play equipment. While on site we fully manage the project and deliver to you a safe and sturdy playground.

# PLAY

This is where the fun starts. The children can explore and enjoy their new playground. Our outstanding ongoing after sales care means you can rest assured that everything is taken care of.

WE CAN BUILD YOU A PLAYGROUND THAT'S RIGHT FOR YOUR SCHOOL & YOUR PUPILS NEEDS

# GAZEBOS

The Gazebo range is available in a choice of six standard sizes, but we can also produce bespoke sizes to suit your space.

Standard Square  
2.4m x 2.4m

Large Square  
3.3m x 3.3m

Standard Hexagonal  
4.4m Diagonal

Large Hexagonal  
6m Diagonal

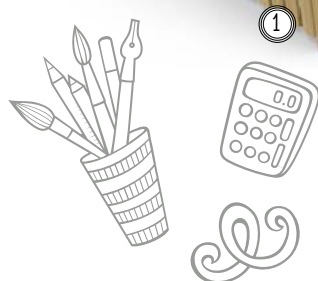

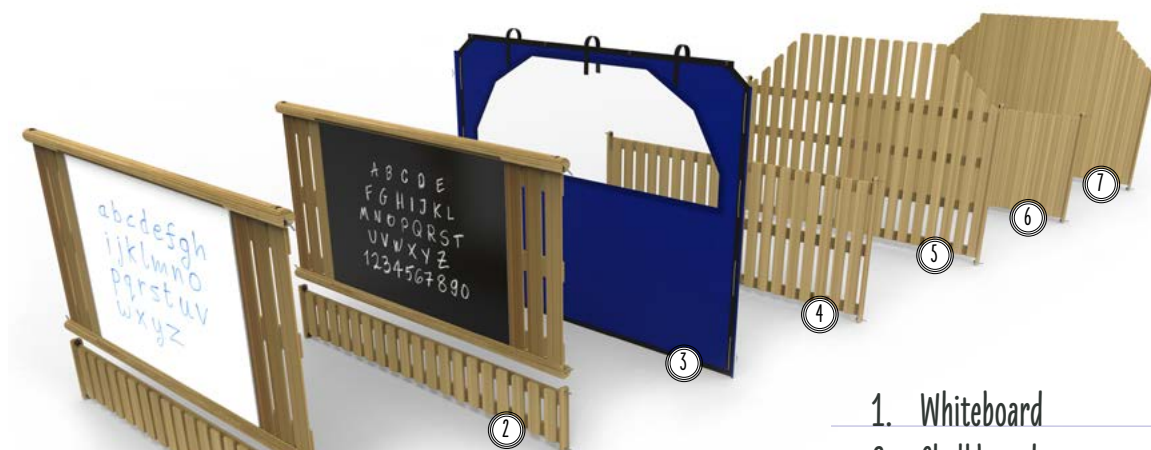

Standard Extended Hexagonal  
5.7m wide x 4.35m deep

Large Extended Hexagonal  
8.1m wide x 6.1m deep

Manufactured using premium PlayGuard Radiata timbers which are kiln dried and sanded offering a smooth and splinter free finish. With a timber roof featuring a unique waterproof lining providing the perfect cover from the elements.

STANDARD SIZES

1. Whiteboard
2. Chalkboard
3. Roll down fabric
4. Half height picket fence
5. Full height picket fence
6. Half height clad
7. Full height clad

Internal bench seating can be added to any size Gazebo. Choose from all round seats or side seats.

There is also the option to add desks with the internal bench seating on all of our Gazebos.

## FLOORING

Our Gazebos can go straight onto your existing playground surface or onto any hard standing base, ie tarmac, block paving or concrete. Decking or artificial grass are all weather floors and an extra finishing touch.

No base onto hard standing

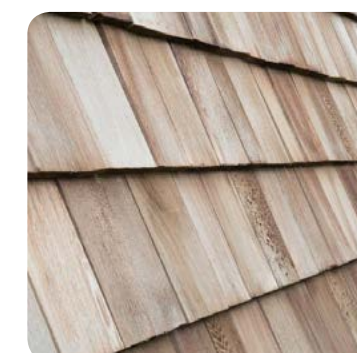

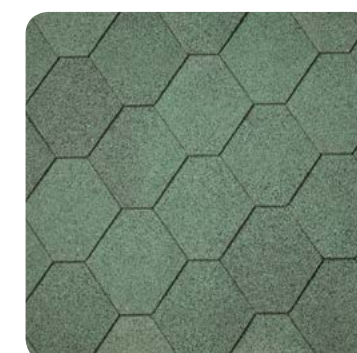

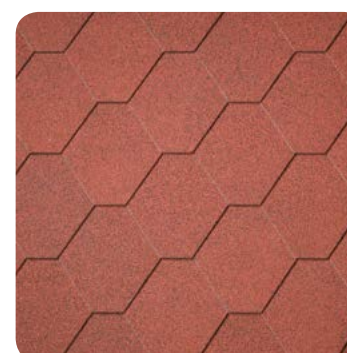

Decking (with ramp available)

Artificial grass

## ROOF

As an alternative to our standard timber roof we also offer: water-tight tongue and groove timber, bitumen felt or cedar shingles. Our Cedar Shingles are split from Western Red Cedar, which have natural anti fungal and anti bacterial properties

INFILL PANELS

SEATING & DESKS

## PREMIUM OAK GAZEBOS

If you are looking for a more natural look for your Outdoor Classroom, we also offer our Gazebo range in Oak. Sourced from sustainable PEFC certified suppliers, our Oak Gazebos are the highest quality, constructed using traditional jointing techniques that create a structure to stand the test of time.

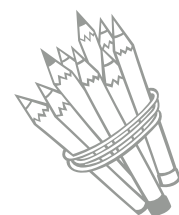

Our oak Gazebos are made from 100% European Green Oak, including rafters and studwork. To sit below the uprights of our timber frames we have hand-cut Yorkshire Stone saddle stones available.

### PREMIUM ROOF OPTIONS

**CEDAR SHINGLES** - Hand-split Cedar  
400-450mm x 60-140mm x 16-22mm  
Our Cedar Shingles are split from Western Red Cedar, which have natural anti fungal and anti bacterial properties.

**OAK SHINGLES** - Hand-split Oak  
400-450mm x 60-140mm x 16-22mm  
Our oak shingles are produced from high-quality hand-split oak.

ALL OF OUR SHINGLES ARE NATURALLY DURABLE, AND DO NOT REQUIRE CHEMICAL TREATMENT WHEN USED CORRECTLY. ONCE IN PLACE, SHINGLES WILL SOFTEN DOWN TO A SILVER GREY.

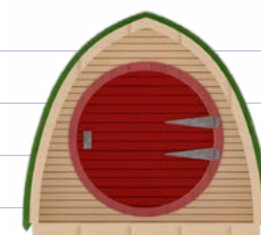

## HOBBIT HOUSES & DENS

Our range of Hobbit Houses and Dens will add an extra dimension to your children's outdoor learning experience. Totally bespoke, the Hobbit Houses, Pods and Dens create a secret space for reading, allowing the children to develop their imagination outside of the formal classroom space.

Ideal for recreational roleplay and outdoor teaching in smaller focussed groups, we have designed our Hobbit House to be a multifunctional teaching space.

At 2.3m in height, the Hobbit House is suitable for adult users too!

Front view

Side view

We work with you to customise your Hobbit House or Den to suit your needs. From artificial grass, or thatched roofing to sensory colour glazing and comfortable floor covering, we can build a den that suits your budget and space.

### CHOOSE YOUR ROOF:

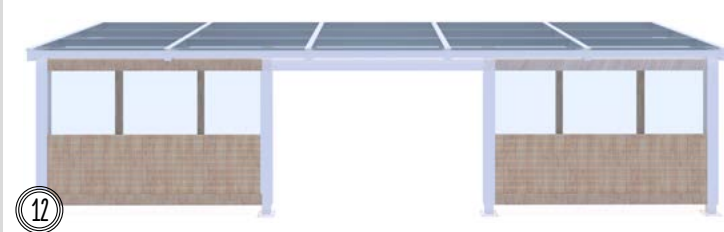

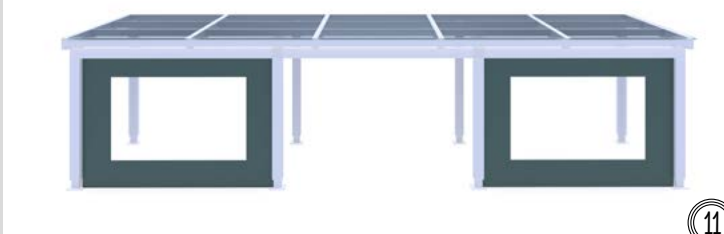

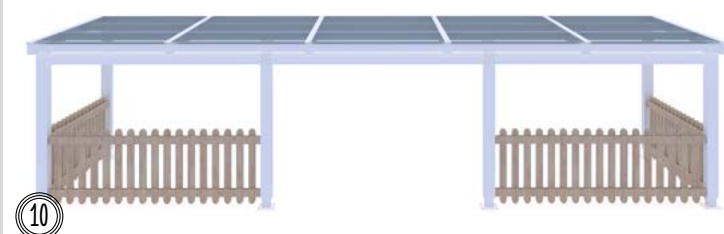

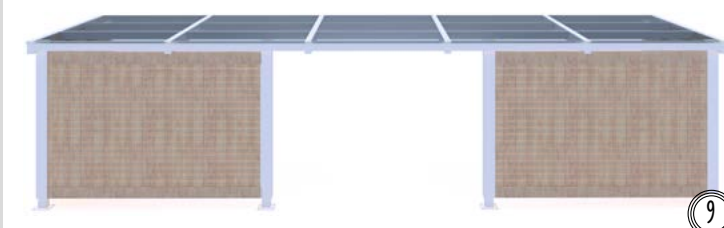

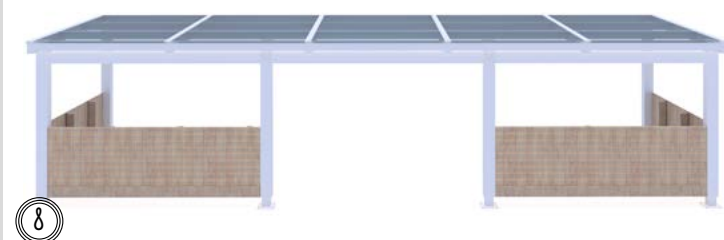

1. PETG perspex - clear, multicoloured or patterned
2. Twin wall polycarbonate - clear, white opal or bronze tint

### OPTION TO ADD:

3. Rainwater system - guttering, downspout, water butt

### CHOOSE YOUR EXTRAS (panels, exit/entry, seating):

### INFILL PANEL OPTIONS:

8. Half height shiplap cladding
9. Full height shiplap cladding
10. Timber picket fence
11. Roll down fabric
12. Perspex windows

### ADD MARK MAKING:

13. Whiteboard
14. Chalkboard

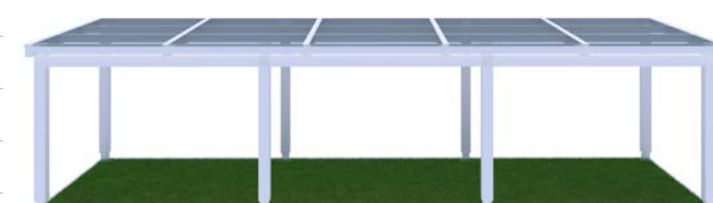

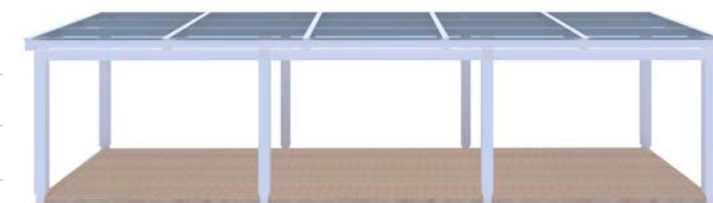

## SHELTERS & CANOPIES

Our modular shelters and canopies range are customisable, made to measure and built to last.

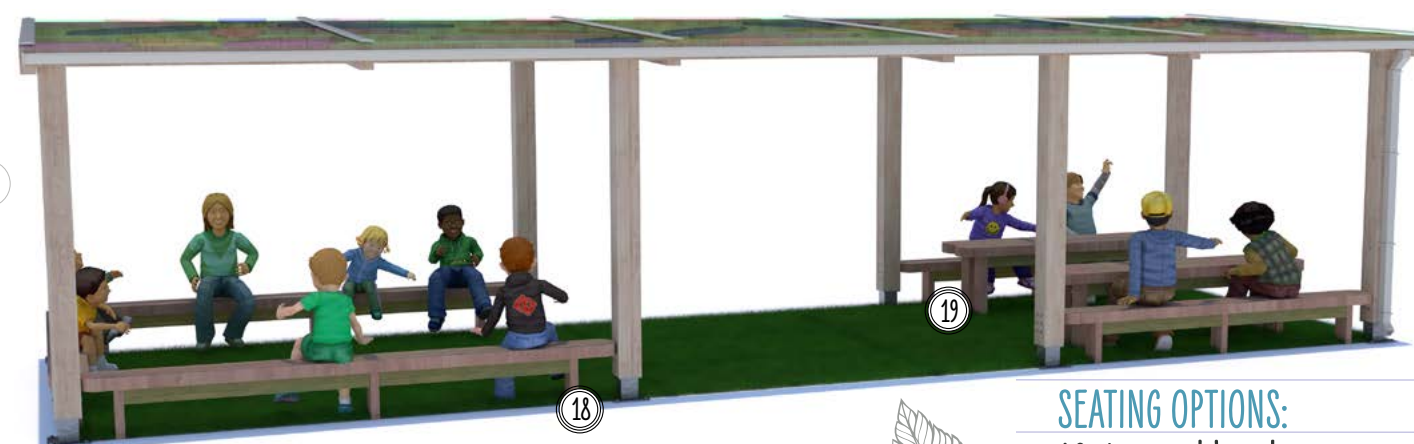

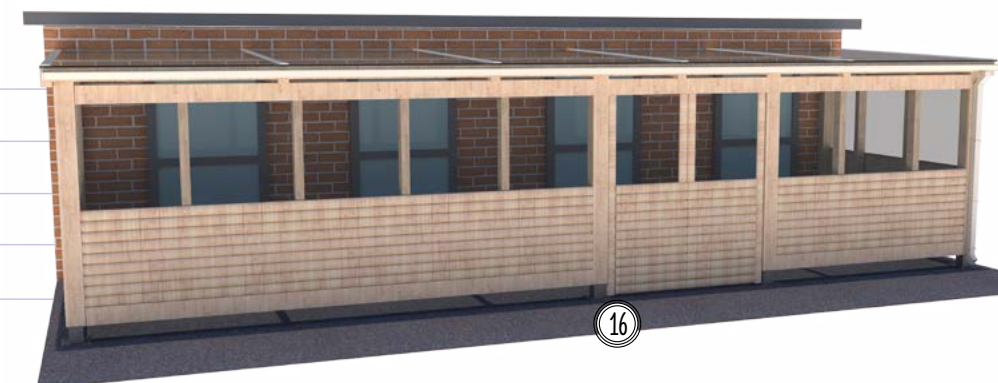

### CHOOSE YOUR FLOORING:

4. Timber decking base - optional DDA ramp
5. Artificial grass - choice of colours available
6. Existing playground surface
7. New hard standing - i.e. tarmac, block paving, concrete

### EXIT/ENTRY OPTIONS:

15. Roller shutter
16. Single/double doors
17. Sliding door

### SEATING OPTIONS:

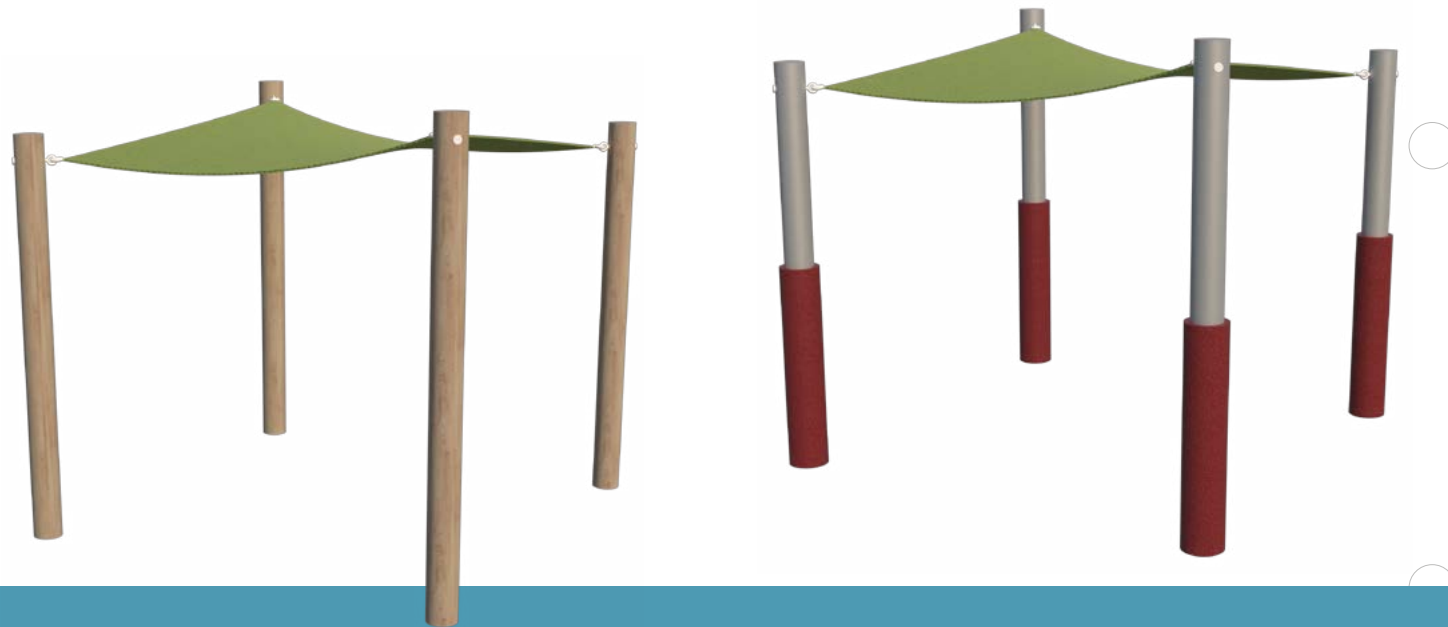

18. Internal benches
19. Internal benches & desks

# SAIL SHADES

Manufactured from the highest quality marine grade fabric and a choice of heavy duty galvanised steel or structural laminated timber beam posts, our Sail Shade range is the perfect solution to creating shade for your playground.

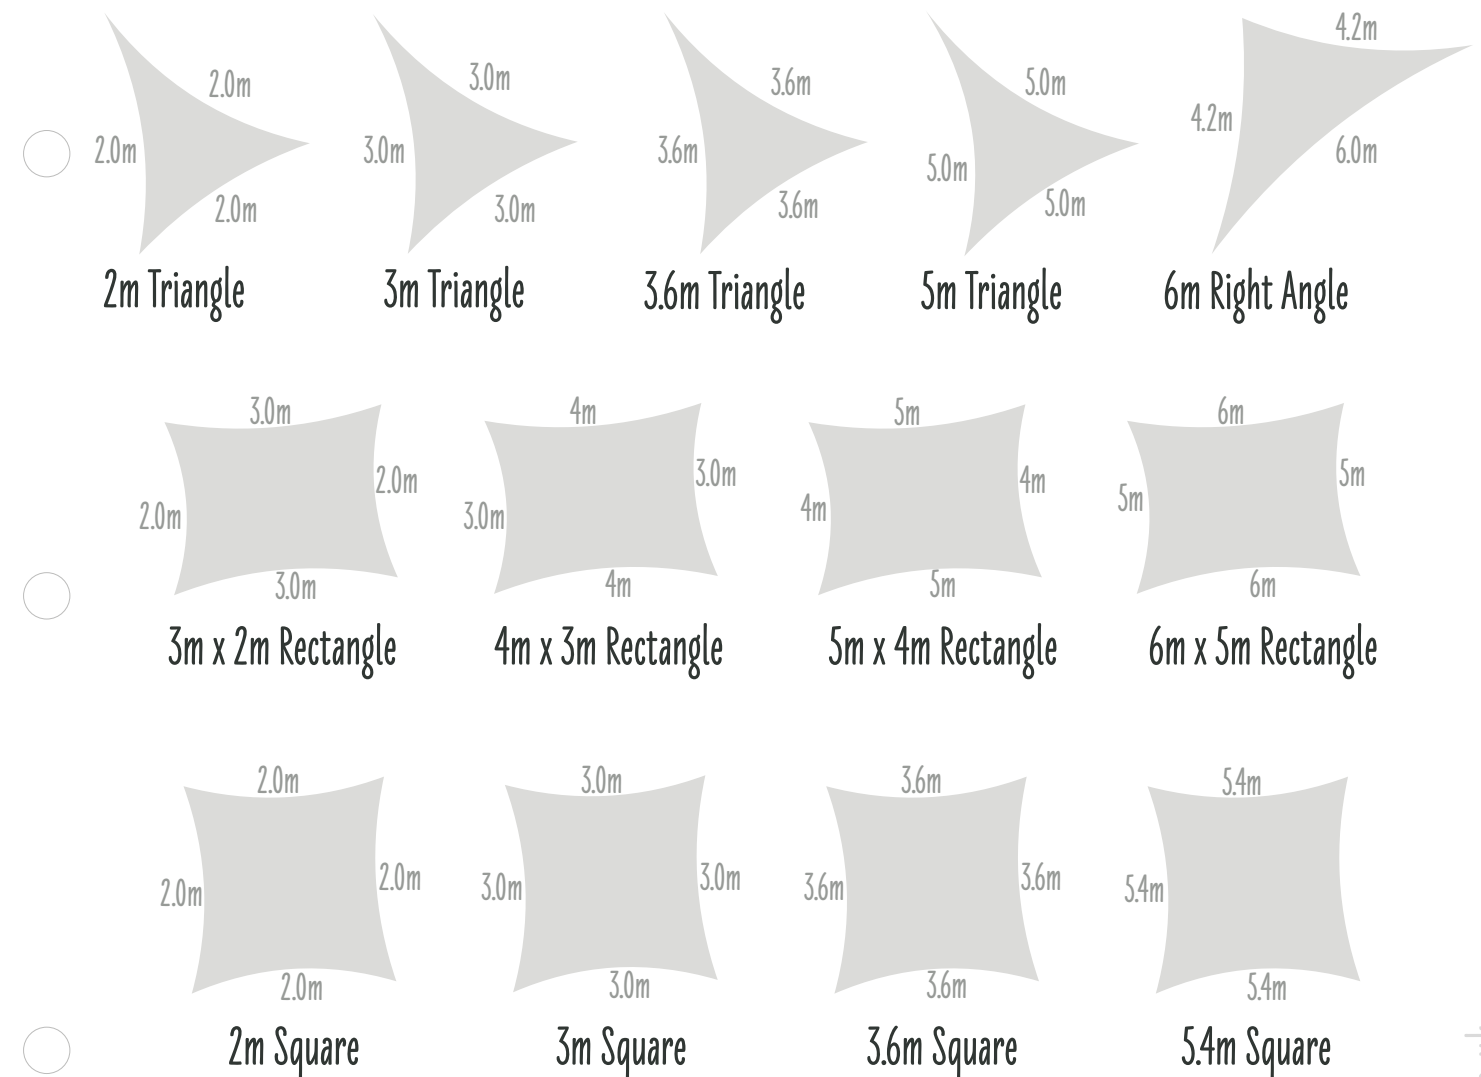

We will work with you to create the best use of space when designing your specific Sail Shade, with 13 standard size combinations and a bespoke made to measure service too.

## SHAPE & SIZE

Learn and play under a versatile Sail Shade which offers protection from sun and rain. Available in a wide range of shapes, sizes and colours you'll be sure to find the perfect one for your play area.

## FABRIC

Marine Grade Canvas is a breathable and heavily water resistant fabric which is also U.V. resistant. The Teflon coating on the outside repels water and a polyurethane coating on the inside which, along with being water resilient gives the fabric strength. There are approx. 40 colours to choose from for your sail shade (colours are a representation only and may differ from how they appear on screen).

# SHEPHERDS HUTS

- Measures 2.41m X 5.01m
- Front double doors
- Front windows
- Further 3 double glazed windows
- Internal flooring
- Steel wheels (static) & axle
- Step access

## Options:

- Available with no wheel base
- DDA access ramp
- Power
- Partition wall
- Larger size - 2.4m x 8.4m

This traditional looking timber caravan makes an intriguing and inspiring place to learn away from the usual classroom space.

Fully customisable to meet your requirements, our team of skilled joiners can tailor the internal and external fabric to suit your needs. Fully double glazed windows and insulated, our Shepherds Huts make a great space for class breakout sessions for both pupils and educators.

# YURTS

These traditional Mongolian Yurts are an extremely popular addition to our Outdoor Classroom range. Our Yurts are beautifully handcrafted using traditional methods and sizes range from 3.5m diameter up to 10m diameter.

All of our Yurts come fully installed by our trained site team with:

- Wooden roof crown, solid wooden door;
- Steam curved trellis walls and roof poles;
- Double layer ground sheet;
- Sheep's wool felt layer, inner lining, silicone treated poly-canvas;
- Three layer windows with mosquito netting and removable PVC layer;
- Two roof caps (transparent PVC and a traditional felt lined);
- Lockable wooden door with decorative pattern and handles.

These traditional structures make fantastic outdoor classrooms and gives a real sense of authenticity to the space. Perfectly sized for both small and large groups of children. We can give advice on size, heating and help with any general ongoing maintenance options too.

Imagine a place where you and your pupils are free from the constraints of a classroom; where nature can inspire them and bring a sense of adventure to their learning.

The School Playground Company provide bespoke Timber Outdoor Classrooms across the Midlands, including Warwickshire, Leicestershire and Nottinghamshire.

SOME OF OUR WORK

## SEE WHAT OUR CUSTOMERS SAY

### PLAYGROUND RESURFACING - KEY STAGE 1

"The management of the project by The School Playground Company exceeded our expectations and represented excellent value for money. We would highly recommend their services"

Kathy Layng - Business Manager

### ROYAL LEMINGTON SPA - KEY STAGE 1

"This is the second time that we have worked with The School Playground Company and the entire process from design to finished build has been so easy and so enjoyable! This is not something I can usually say about contract work. Chris and his team are professional, organised and friendly."

J Wallace – Headteacher
